**⚠️ All Safety Field Reporting Information must be submitted at the end of the month for consideration in the newsletter.**

## Monthly Safety Statement:

**For safety is not a gadget but a state of mind. - Eleanor Everet**

## Jobsites With Great Tool Box Talks

- Project: **Bellevue 600 (11.30.22, 12.09.22, 12.15.22)**  
 Superintendent: **Chet Compton, Robert Bentley**
- Consider impact of your words on others.. Represent your company with pride. Seek ideas from crew when struggling. Re-evaluate & discuss plan when conditions change.
- Project: **Mercer Island Pump S. (11.28.22; 12.05.22)**  
 Superintendent: **Greg Matson**
- Be aware of potential bay collapse during wet weather. Be patient - don't rush. Pay attention to details - no tunnel vision. No shortcuts - do the job correctly the first time. Ask questions.
- Project: **35 Stone (12.09.22; 12.16.22)**  
 Superintendent: **Ryan Pruitt, Josh Bentley**
- Take time-don't skip steps .Creosote Hazards.. Elevated power lines considered energized.

## Safety Article of the Month

### Work-Related Hospitalizations & Fatalities in Construction (2014-2021)

Injury Type Group	Hospitalizations	Percent
Fall from elevation	676	49.1%
Struck by object or equipment	301	21.9%
Fall same level	82	6.0%
Caught in-	64	4.6%

## Weekly Safety Award Recipients

Bellevue 600: **James Gaines, Isaac Chambliss**  
 N. Mercer Island P.S.: **Joe O'Brien**  
 35 Stone: **David Patrick, Frank Patelesio, John Hicks**  
 Snoqualmie Casino: **Jeff Sharon, Cody Washburn, Tom Gallichan**  
 Yard: **Juan Yanez, Colton Powers, Eric Garvin**

## Safety Pre-Task Card Honor Roll

Bellevue 600-PH2: **Robert Bentley (3), John Picard (4), Ben Tuss, Destry Eaton (4), Isaac Chambliss**  
 4536 Brooklyn: **Drew Kyllonen**  
 Mercer Island Pump St.: **Greg Matson, Joe O'Brien, Ron Hanson (2)**  
 35 Stone: **Cole Rinehart, John Hicks, Josh Bentley, Dave Patrick, Ben Tuss**  
 1916 Boren: **John Hicks**  
 Hidden Creek: **Chaise Weingard, Brett Morey (3), Oscar Ruiz (3)**  
 Snoqualmie: **Trevor Eng (19)**  
 Turgeion Raine Jewelry: **Brett Morey**  
 Yard: **Rick Pinkowsky (5), Joe Pierce (4)**

## Projects With No Recordable Injury

- 5053-23 Seaview Park  
 650-22 Foss BH Emerg RPR

### Construction Falls from Elevation:

- 40% - Falls from a ladder
- 25% - Falls from a roof or through a roof surface or opening

### Top 3 Occupations / Percent Hospitalizations:

Construction Craft Laborer	25.6 %
Carpenters	10.7 %
Roofers	9.7 %

### Top 3 Age Groups / Percent Hospitalizations:

25 - 34	26.9 %
35 - 44	24.8 %
45 - 54	19.7 %

## Monthly Safety Award - Colton Powers (Yard)

Colton orchestrated a very planned out pre-task plan approach for the team of mechanics when separating the AF-250 boom. Because this task was out of the ordinary, he took time to make sure every detail was discussed and ensured that everyone was aware and comfortable in completing their part of the work. Because all operations were reviewed in detail, the plan was executed without any incidents.

## Job Site Safety Inspections (excellent observations)

- Project **Bellevue 600 - PH2**  
 Foreman: **Chet Compton**  
 Site Inspection: **12.14.2022**  
 - Wear hearing protection when operating chainsaw; safety glasses when chipping bays
- Project: **35 Stone**  
 Superintendent: **Ryan Pruitt**  
 Site Inspections: **12.16.2022**
- Mark com. Lines with flags and maintain 10' setback distance
- Project: **Snoqualmie Valet Garage**  
 Superintendent: **Trevor Eng**  
 Site Inspection: **12.14.2022**
- Keep slings off the wet ground, snow and mud when not in use
  - Use pin flags or Hi-Viz stakes to demarcate break to steep slope (fall protection hazard)
  - Cut off all electric conduit protrusions in walking paths

## Our Crew - Safety Practiced Daily

- Weld Shop:** "Living in the hood!" - **Barb Schnepf**
- Snoqualmie Valet:** "Hi-Viz PPE on steroids or a popsicle!" - **Jack Thompson**
- 35 Stone:** "His popularity is sweeping the nation!" - **Josh Bentley**
- Snoqualmie Valet:** "Wheel of Fortune - Reinventing the wheel?" - **Zac Poe**

## Safety Stats

101 Days Without Recordable Injury/Accident  
 1382 Days Without Lost Time  
 631 Days Previous Streak

## Employee Spotlight (Monthly Safety Award)

Juan Yanez / Mechanic - 7 yrs. @ DBM  
 Eric Shawn Garvin / Driver - 2 yrs. @ DBM
